Outstanding Seniors

The Senior Class of 1971 is well represented by its eighteen Outstanding Seniors. Selected on the grounds of exceptional ability or service in any or all of the various school activities and processes, these students are chosen through nomination by their fellow class members. Each senior is a dynamic individual who has contributed much to Northside and its spirit, whether as an enthusiastic class leader, an active club member, or a fierce interschool competitor.

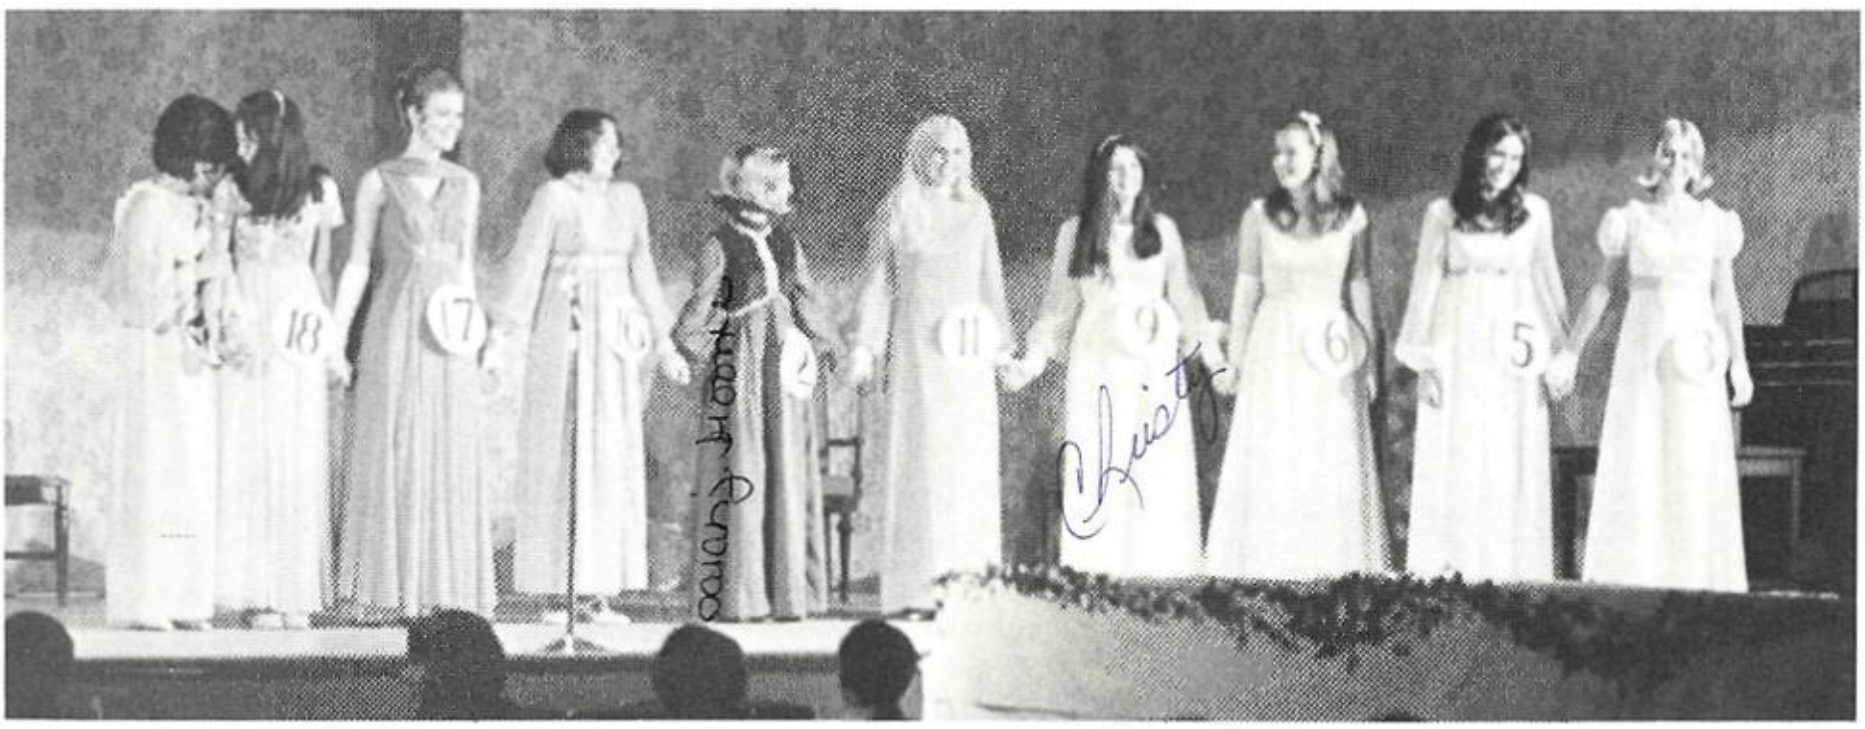
Miss Sarah Dart

Miss Northside



On October 28th and 29th, 25 girls competed for the coveted title.

The girls displayed their talent on Thursday night; and on Friday night, they were presented in streetwear and formal attire. Also, talent winners were announced.

The awards for all three areas of competition - schoolwear, evening gown, and the interview - were taken by one girl who was crowned Miss Northside: Sarah Dart, Miss Northside, 1970-71.

Miss Congeniality

From the 25 contestants, the girls chose one girl whom they thought was the friendliest, most helpful, and best all 'round girl in the pageant. The award was given to Susan Hedlund - Miss Congeniality.

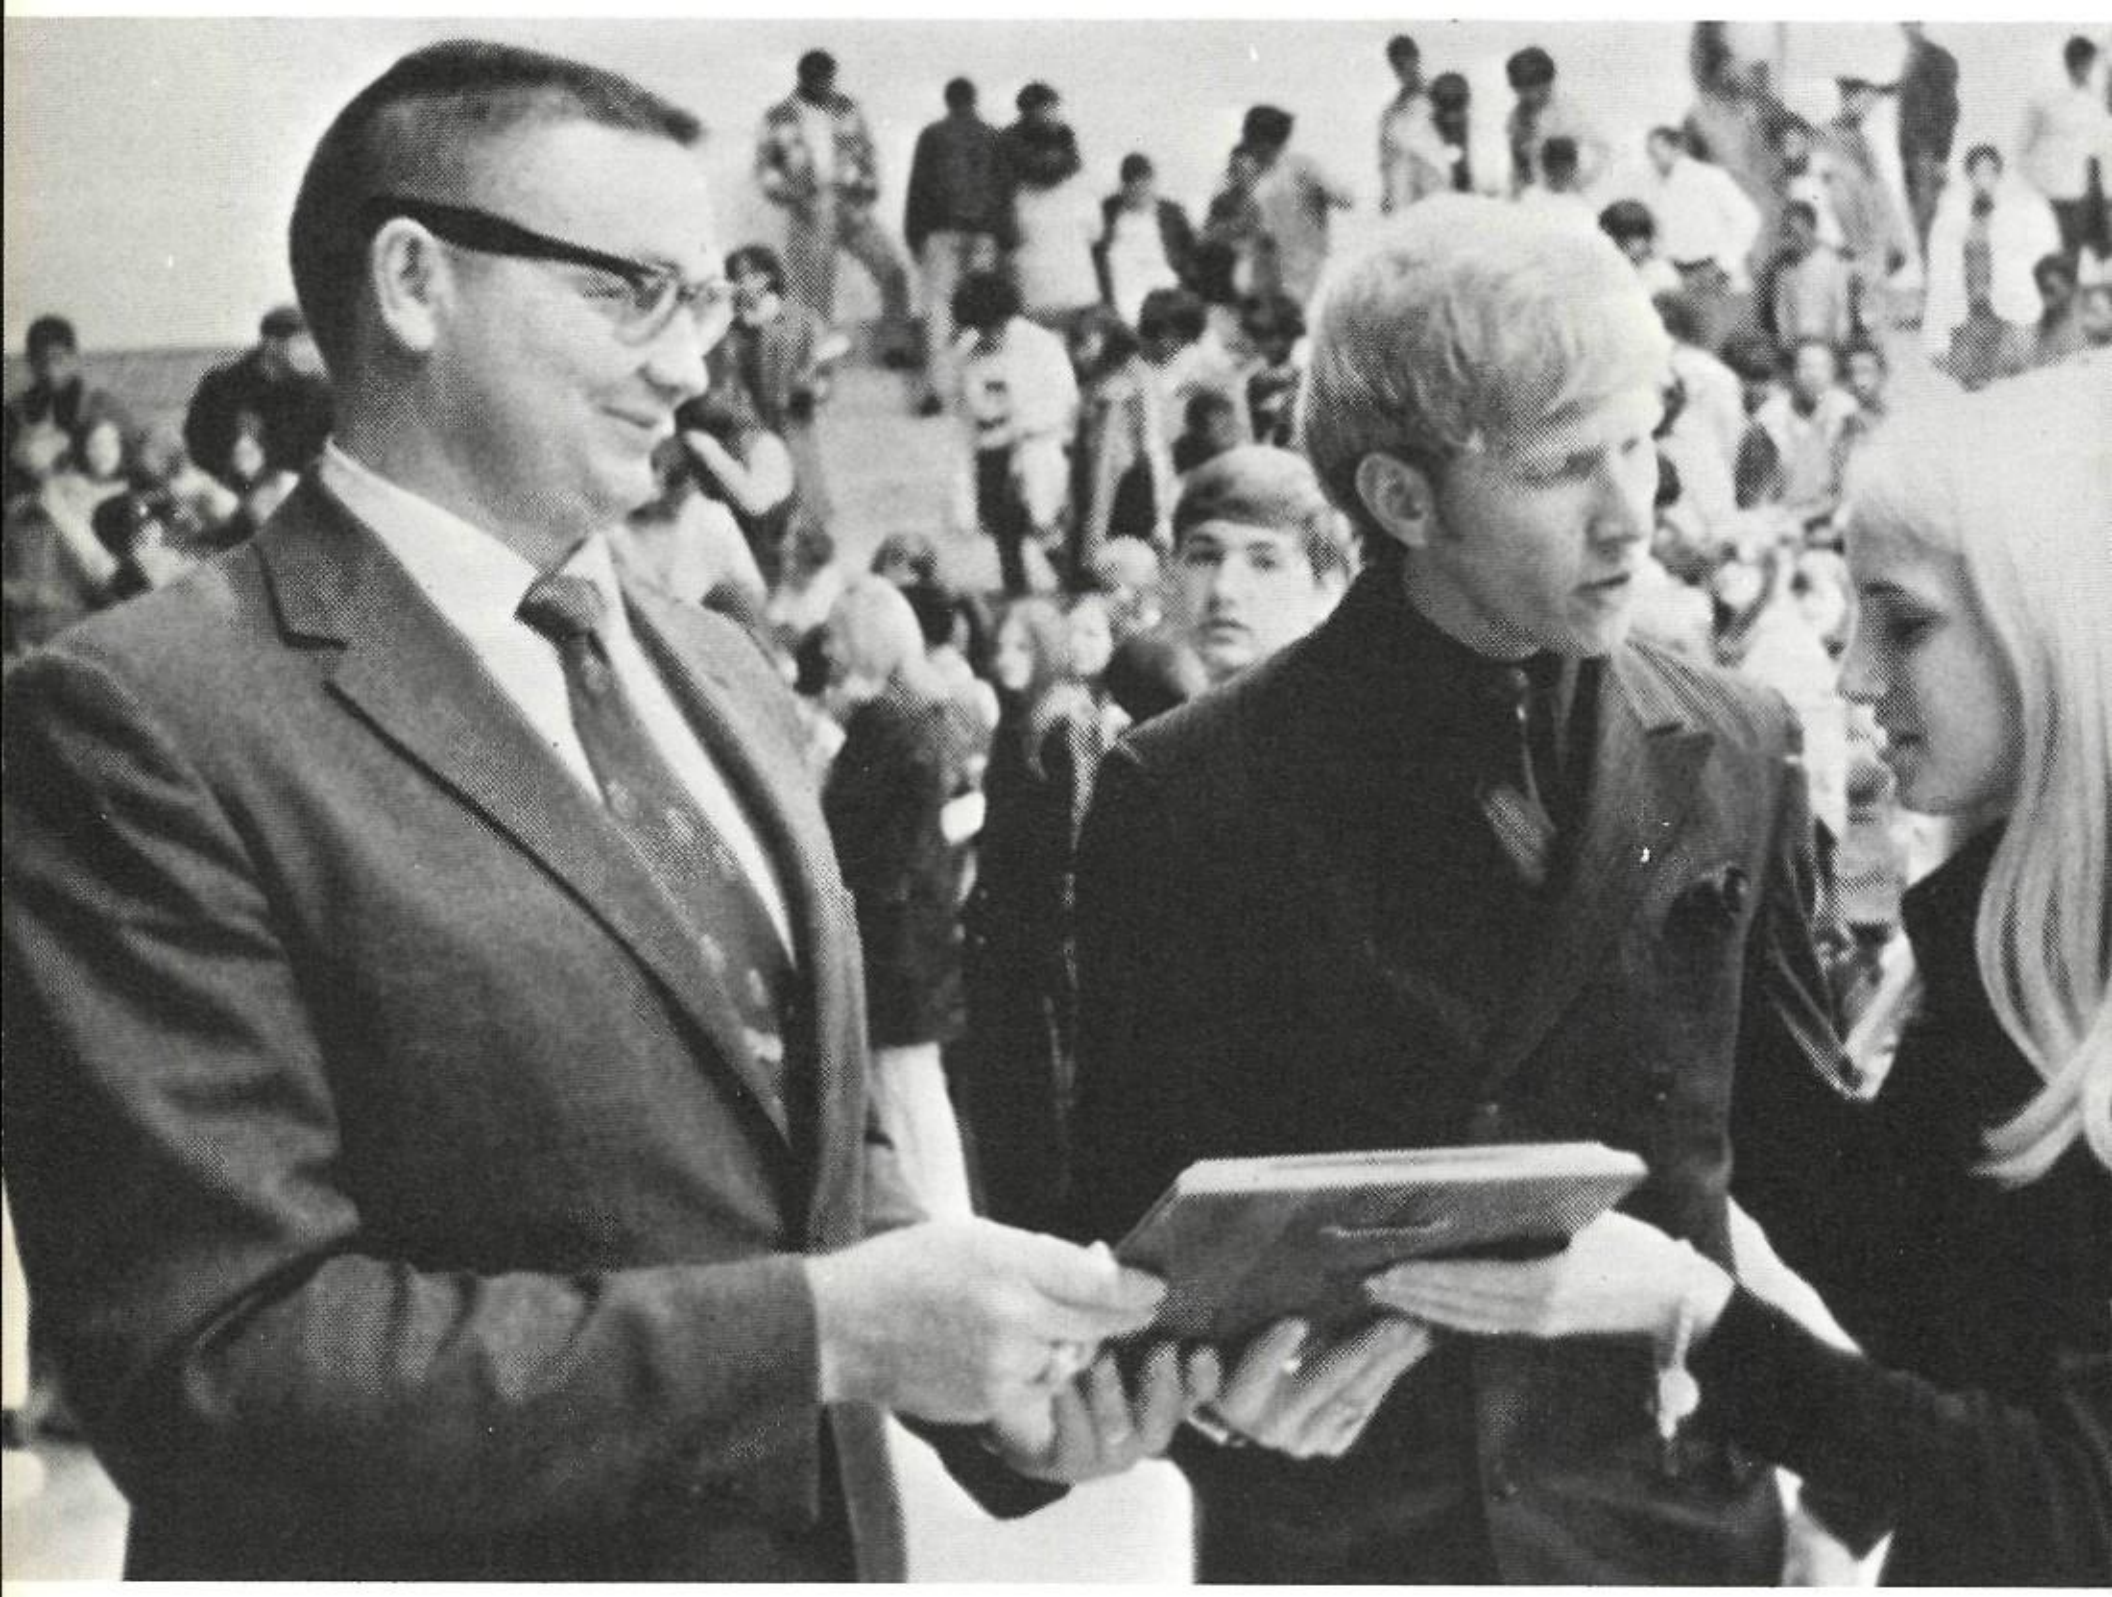
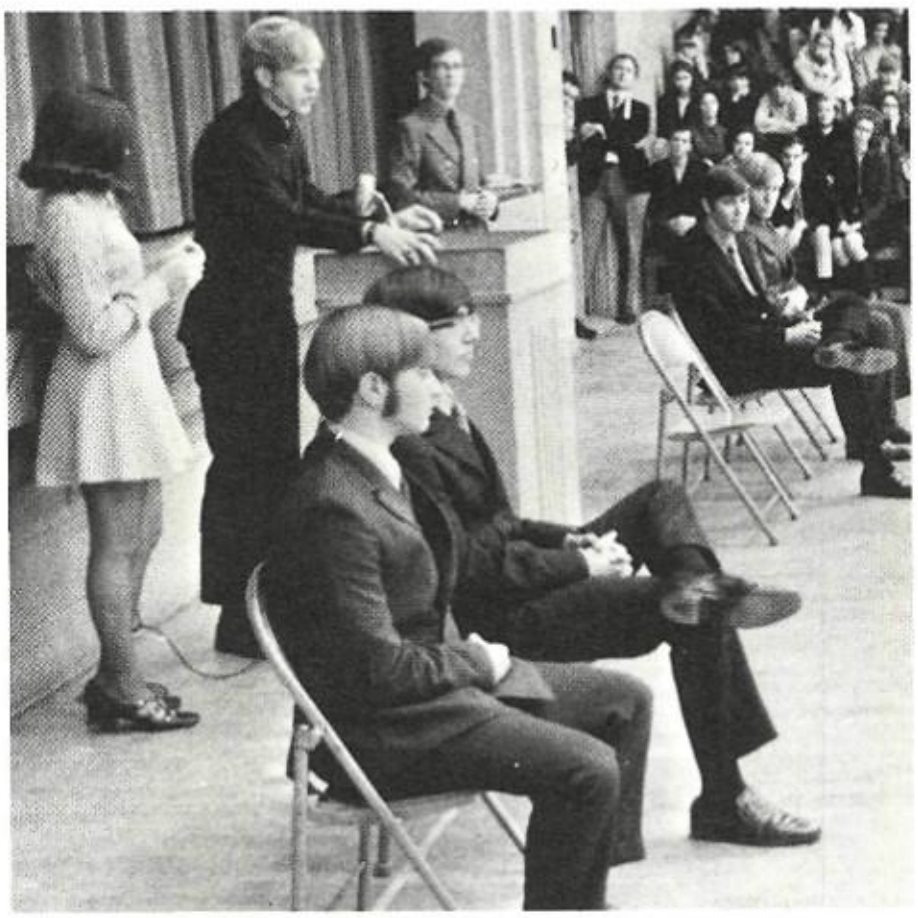
Mr. Northside

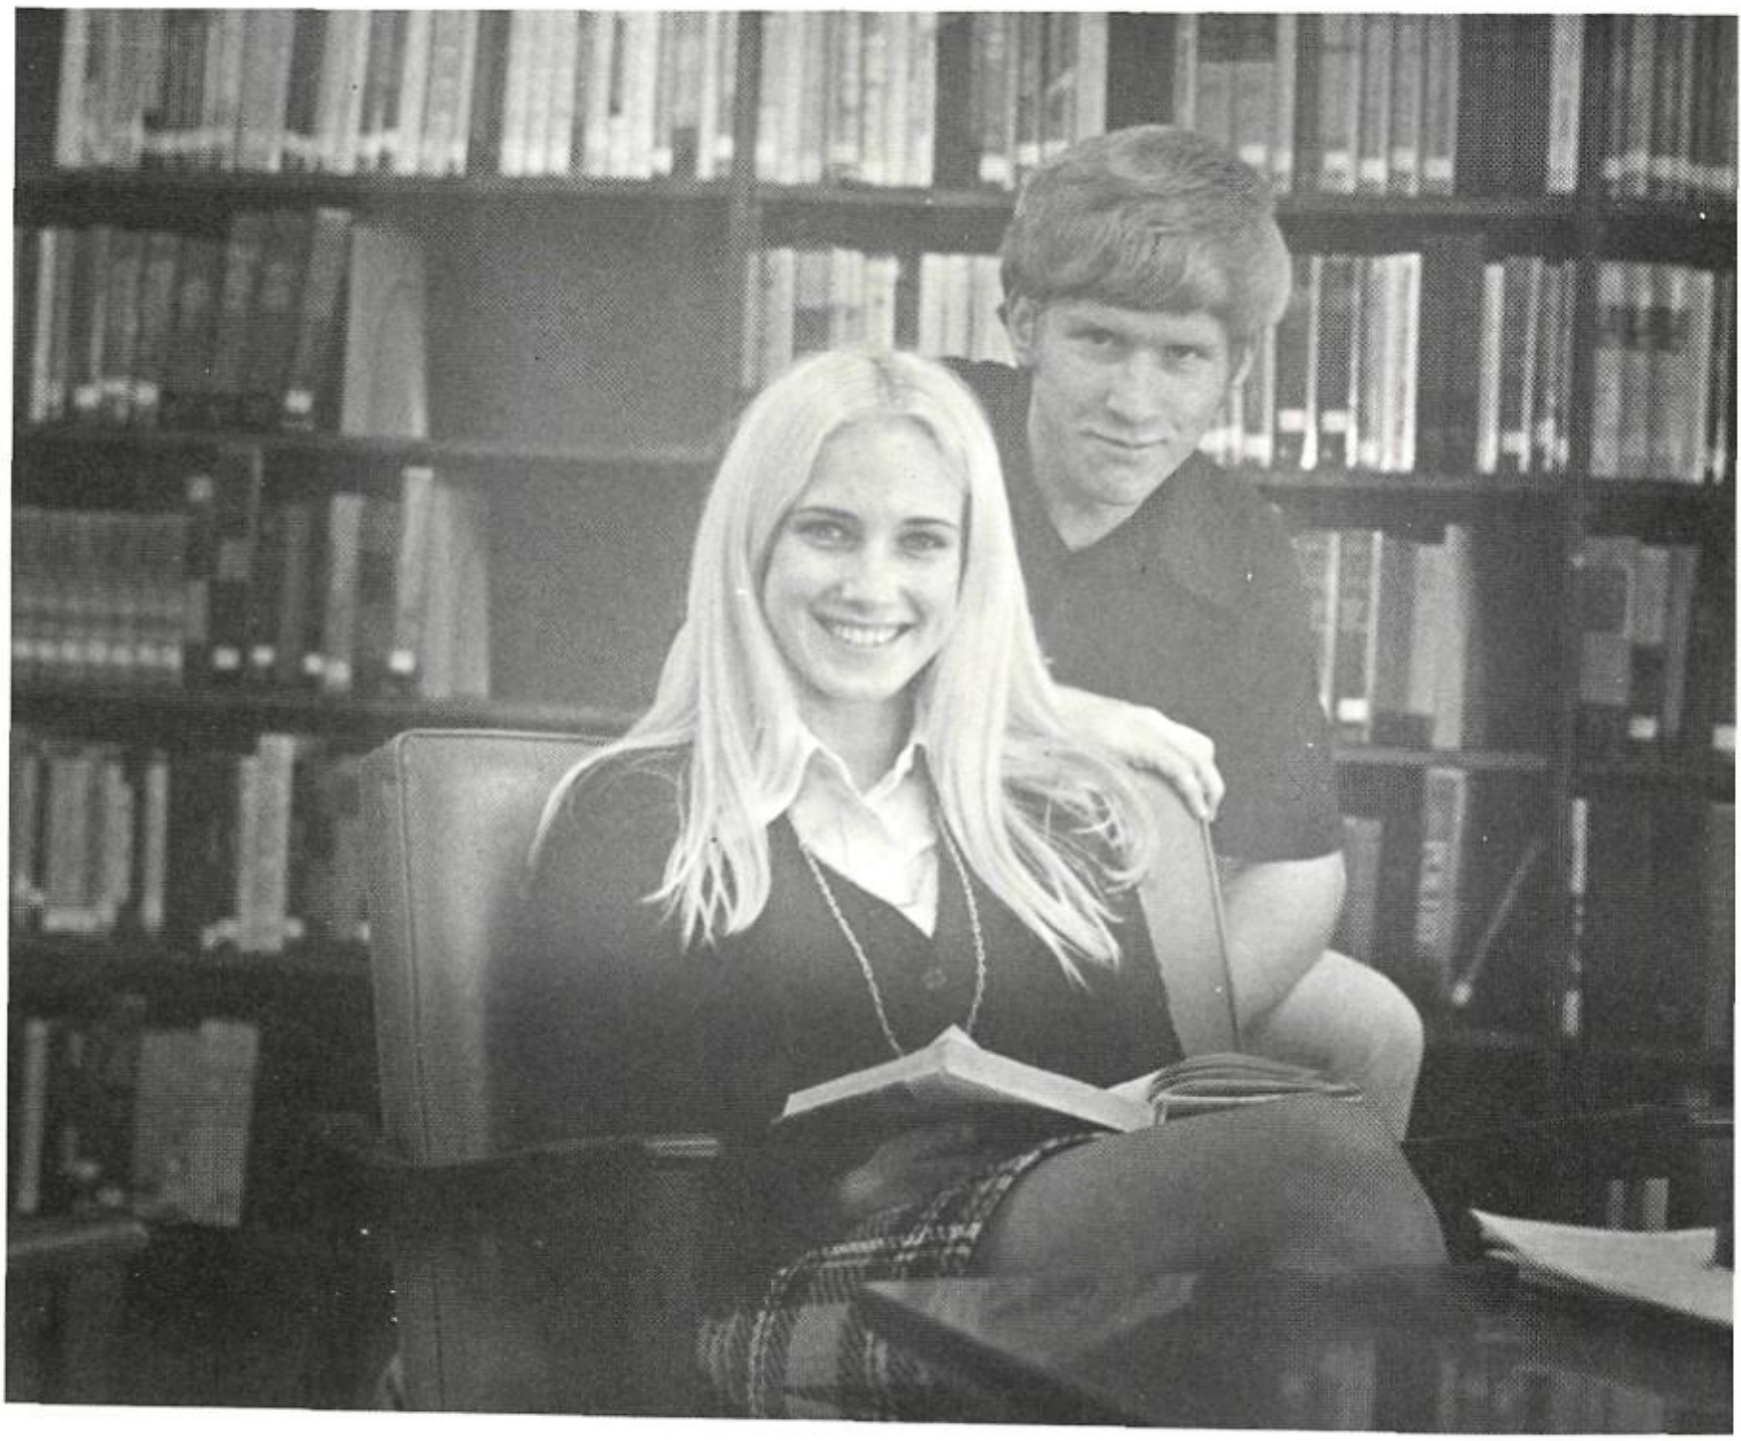


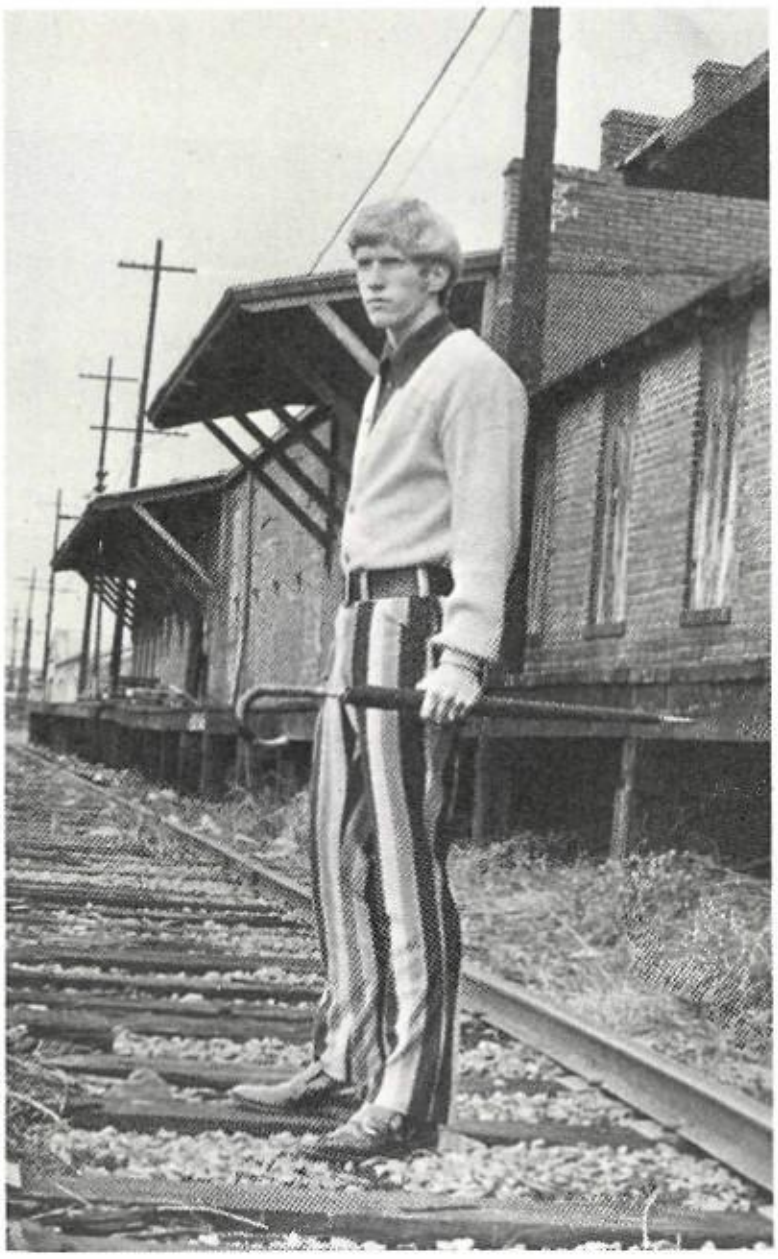
The Mr. Northside contest is a relatively recent addition to the traditions of Northside. Nine senior boys were nominated by their classmates. After being evaluated as to their participation in the various aspects of school life, the boys were interviewed by judges who selected the five finalists. In a special assembly the five boys were each asked two questions, and were judged accordingly. After all phases of competition had been completed, Mr. Northside 1970-71 was named:

SKY OLSON

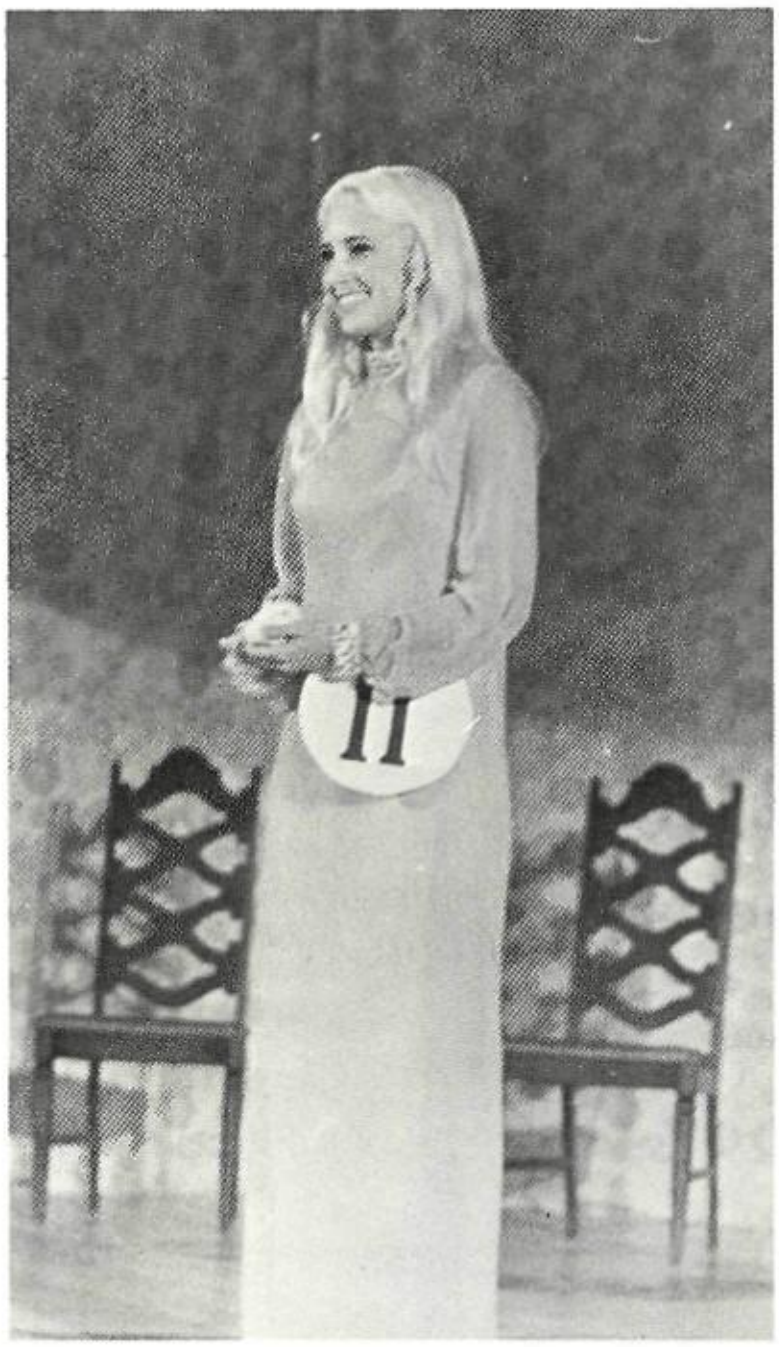


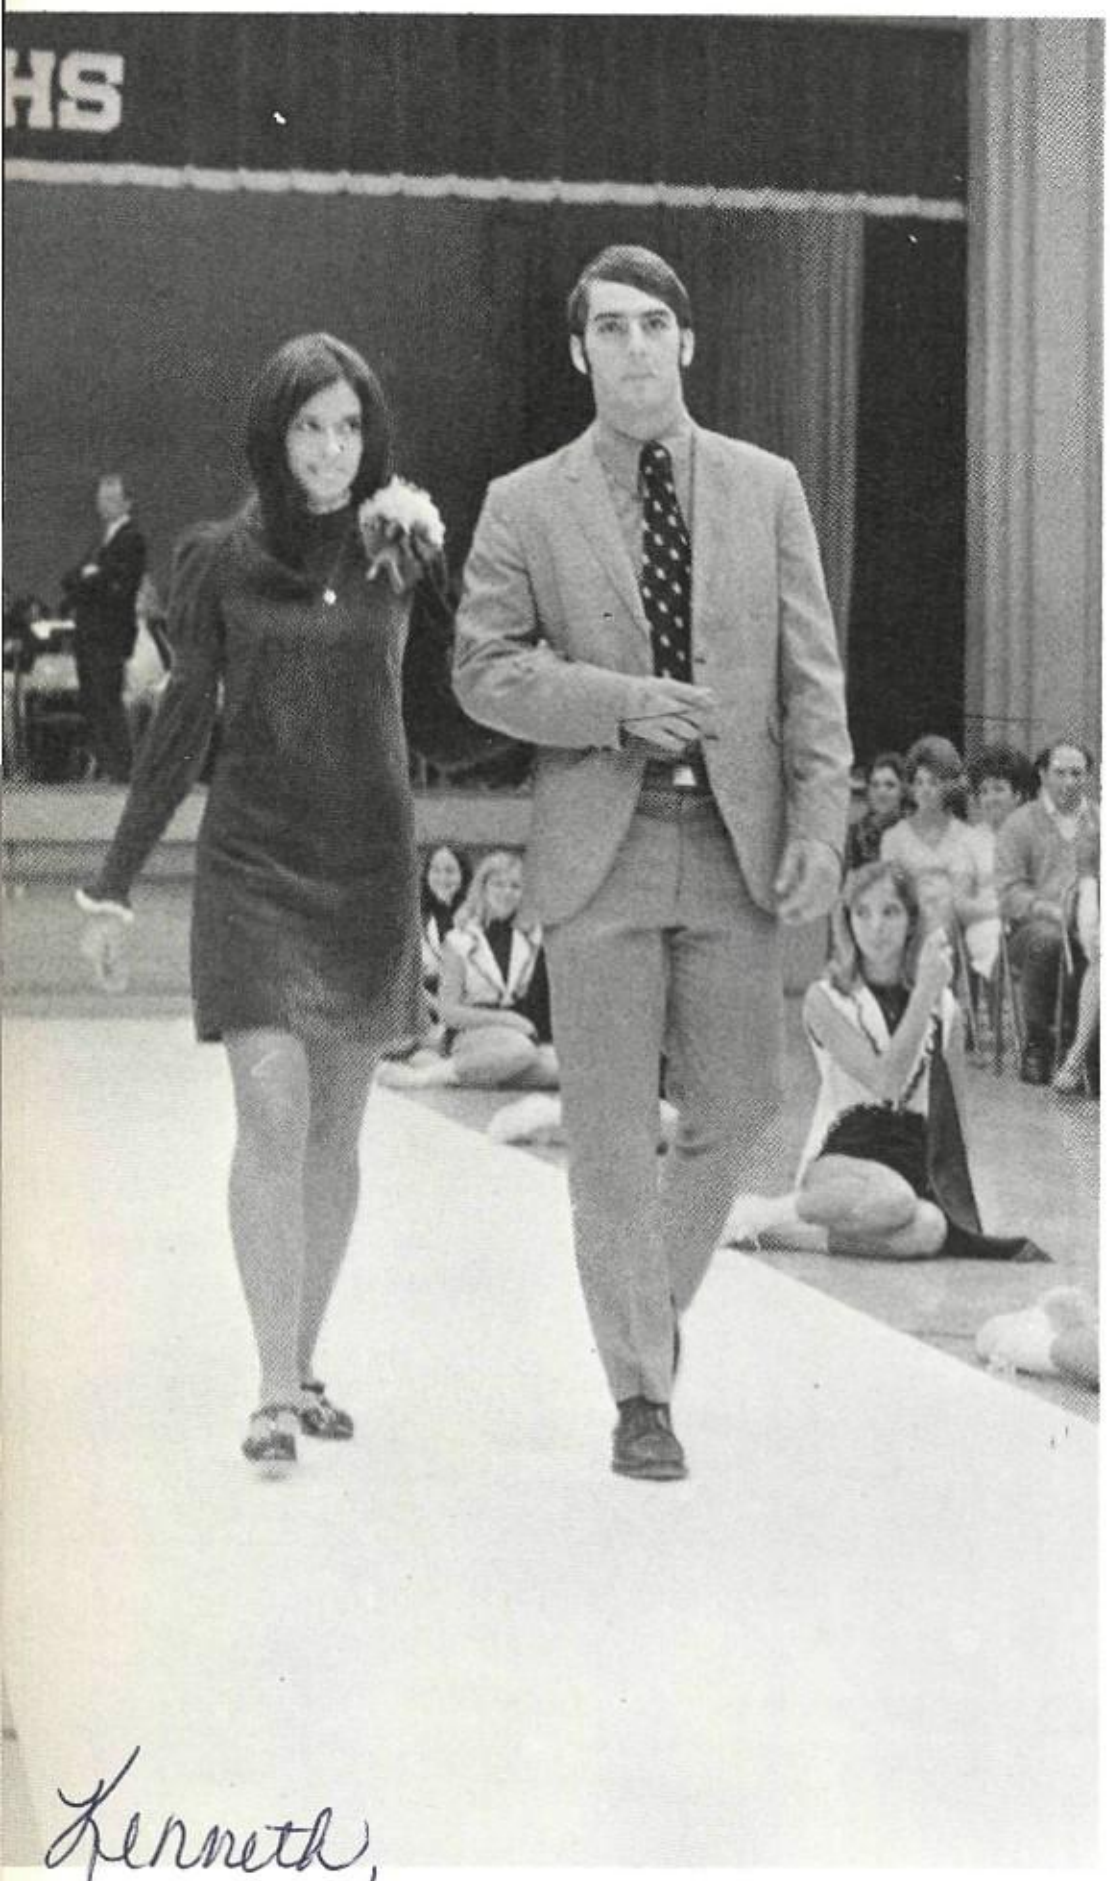
Mr. and Miss Northside High School





Mr. and Miss Northside, Sky Olson and Sarah Dart, represent Northside in both co-curricular and curricular activities.





Kenneth,

Well, mine come since Mrs. Morris' room together and I think we've finally made it to the top. It's all really been great and I've enjoyed having you as one of my best friends all the way through. To me, you are one of the greatest guys I've ever known, and I wish you the very best always. Be good and don't forget me!

An assembly marked the beginning of a full weekend of homecoming events for Northside. The 1970-71 Homecoming Court was presented to the student body. The class representatives were Sophomores Nancy Foreman and Melanie Lee; Juniors Kathy Hester and Lynn Wynrick; and Seniors Linda Forrester, Vicki Conley and Gail Monroe.

Special events were the Homecoming game, dance, parade, and the crowning of Homecoming Queen Miss Gail Monroe. On Thursday October 22, 1970 the homecoming parade, in which the homerooms entered cars and clubs entered floats was held. Friday was the night of the big game at which the Senior football players and their sponsors were introduced. At halftime, the homecoming court was presented, and the traditional dozen red roses were given to the homecoming queen by Miss Mabelle Parrish, Homecoming Queen 1969-70. Homecoming activities were climaxed by the dance on Saturday night.

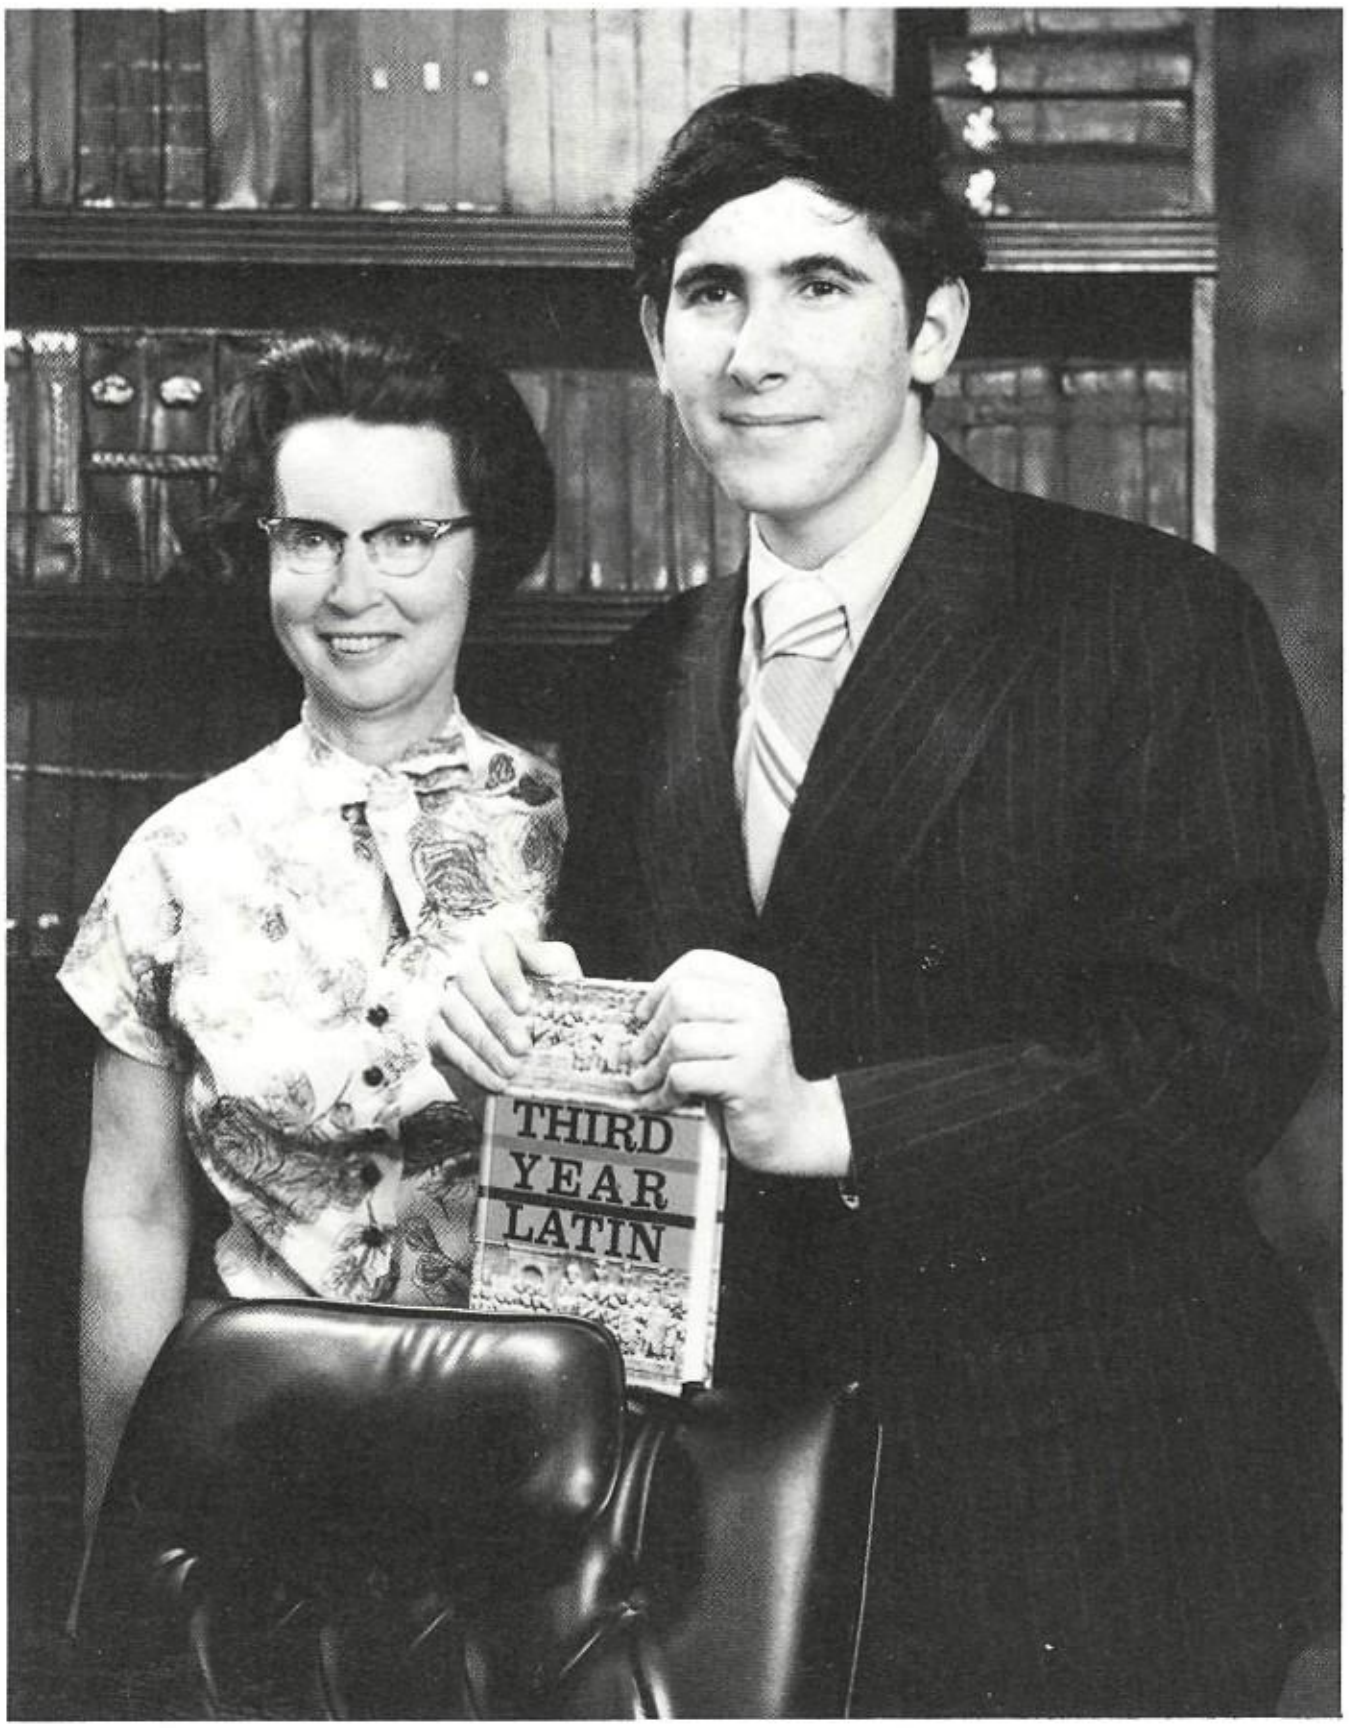
This year for the first time, the Senior Ball was held off campus. The East Inn was the scene for the semi-formal dance, one of the highlights of senior activities. The King's Entertainers provided the music.



An outstanding student throughout his four years of high school, Barry Garber was named STAR Student on the basis of his score on the Scholastic Achievement Test. Barry chose Mrs. Imogene Anders as his STAR Teacher - the teacher who had contributed most to his education.

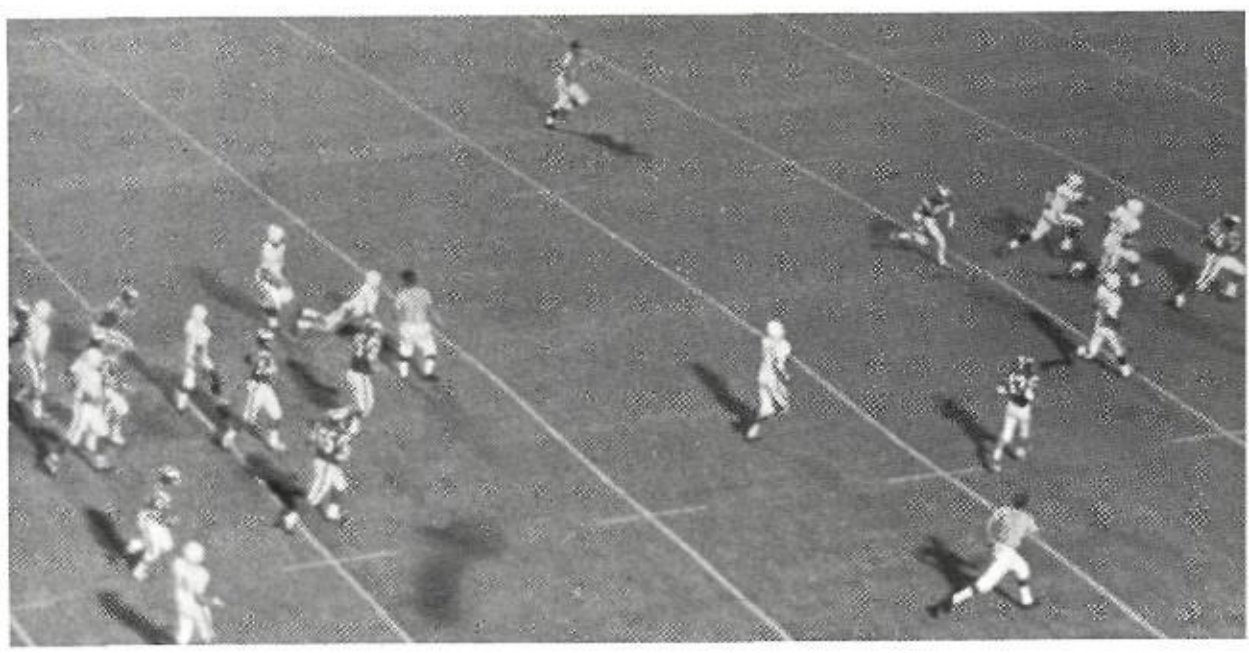
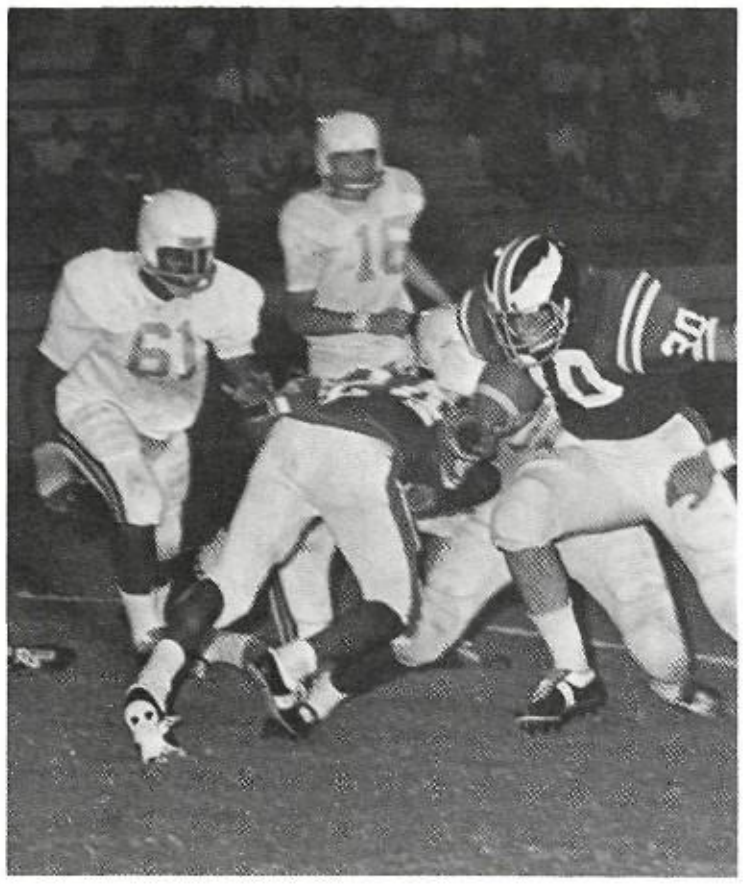
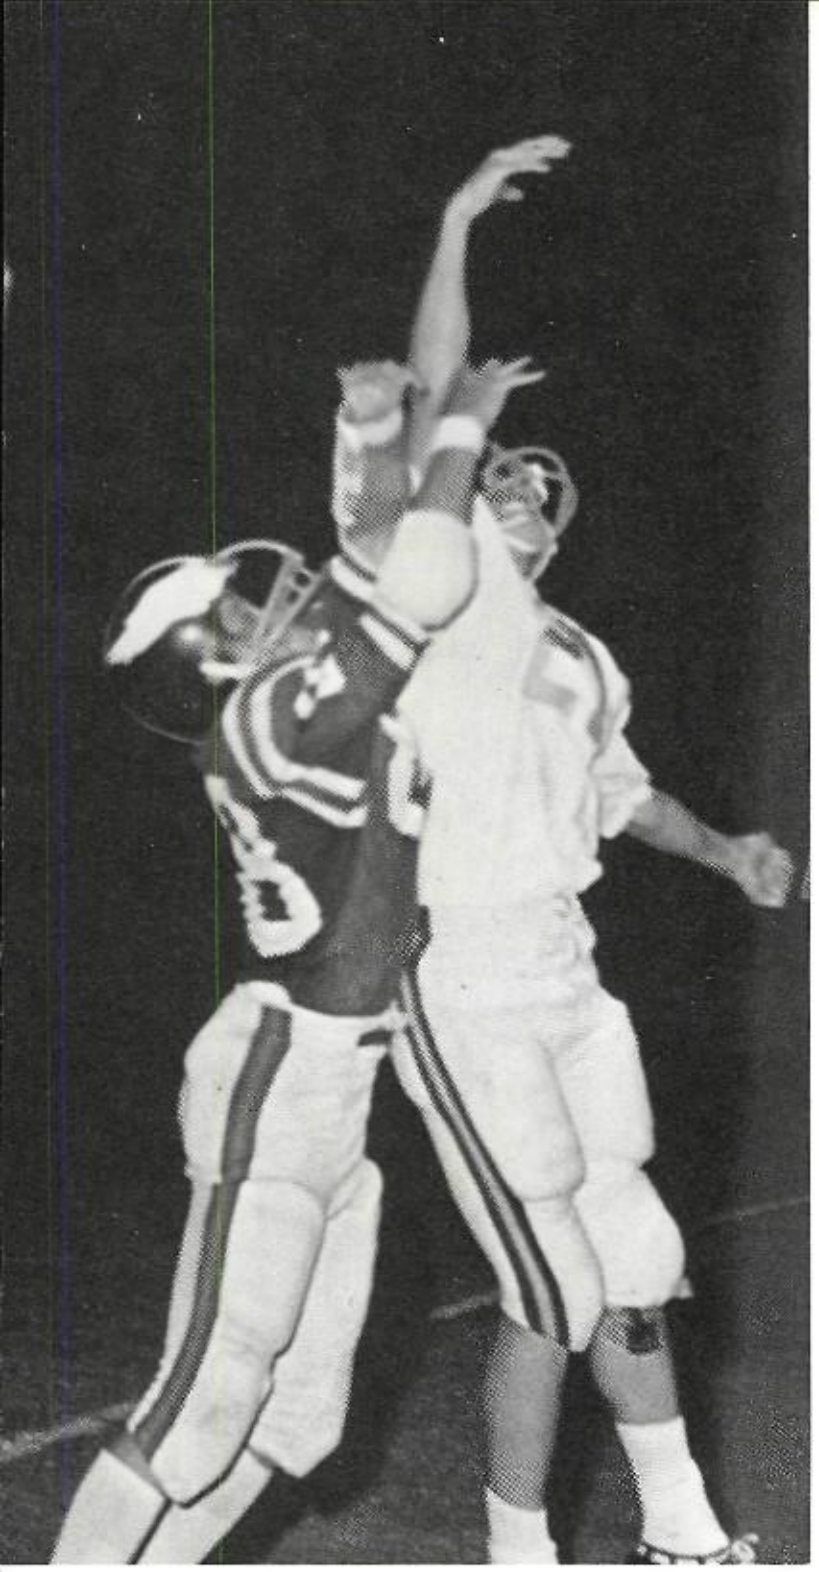
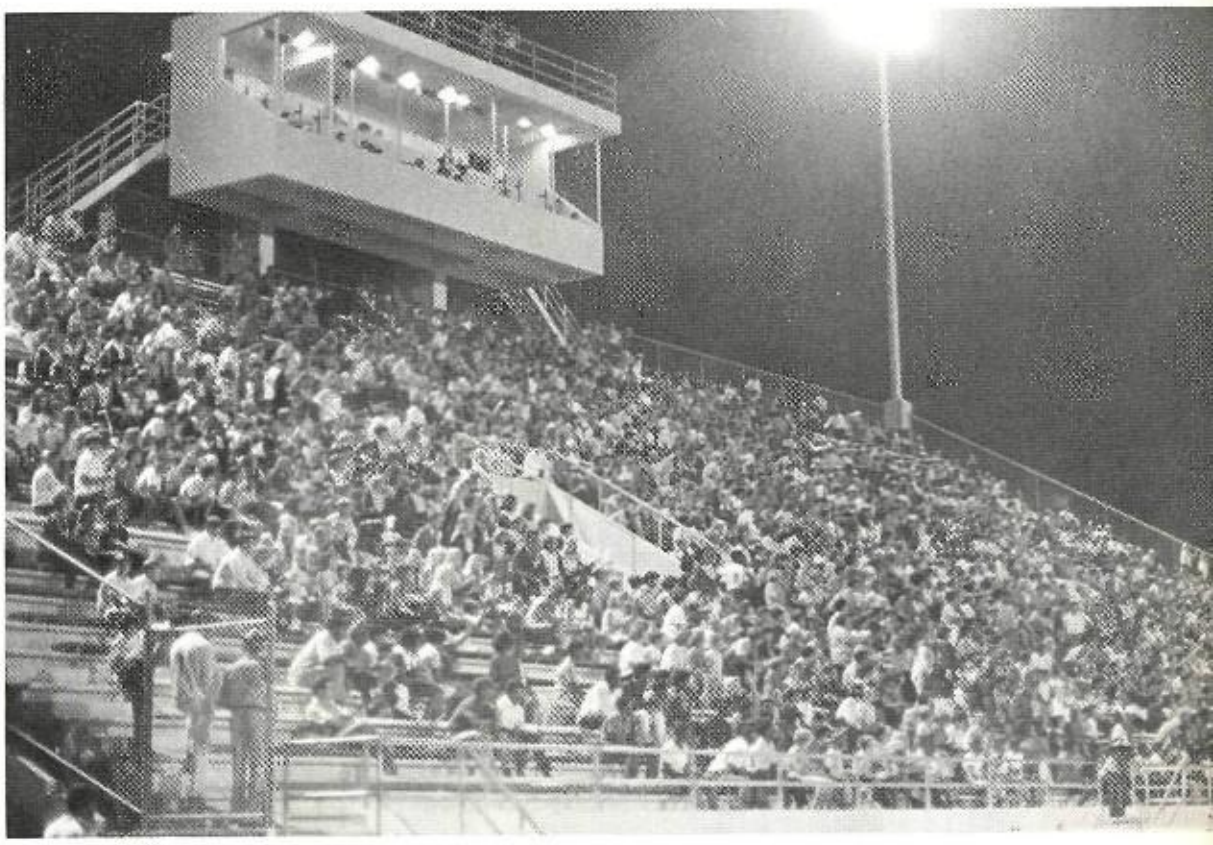
Northside goes 1-3 as Warner Robins takes "City" title 33-0 before 7,000 fans at Warner Robins International Stadium.



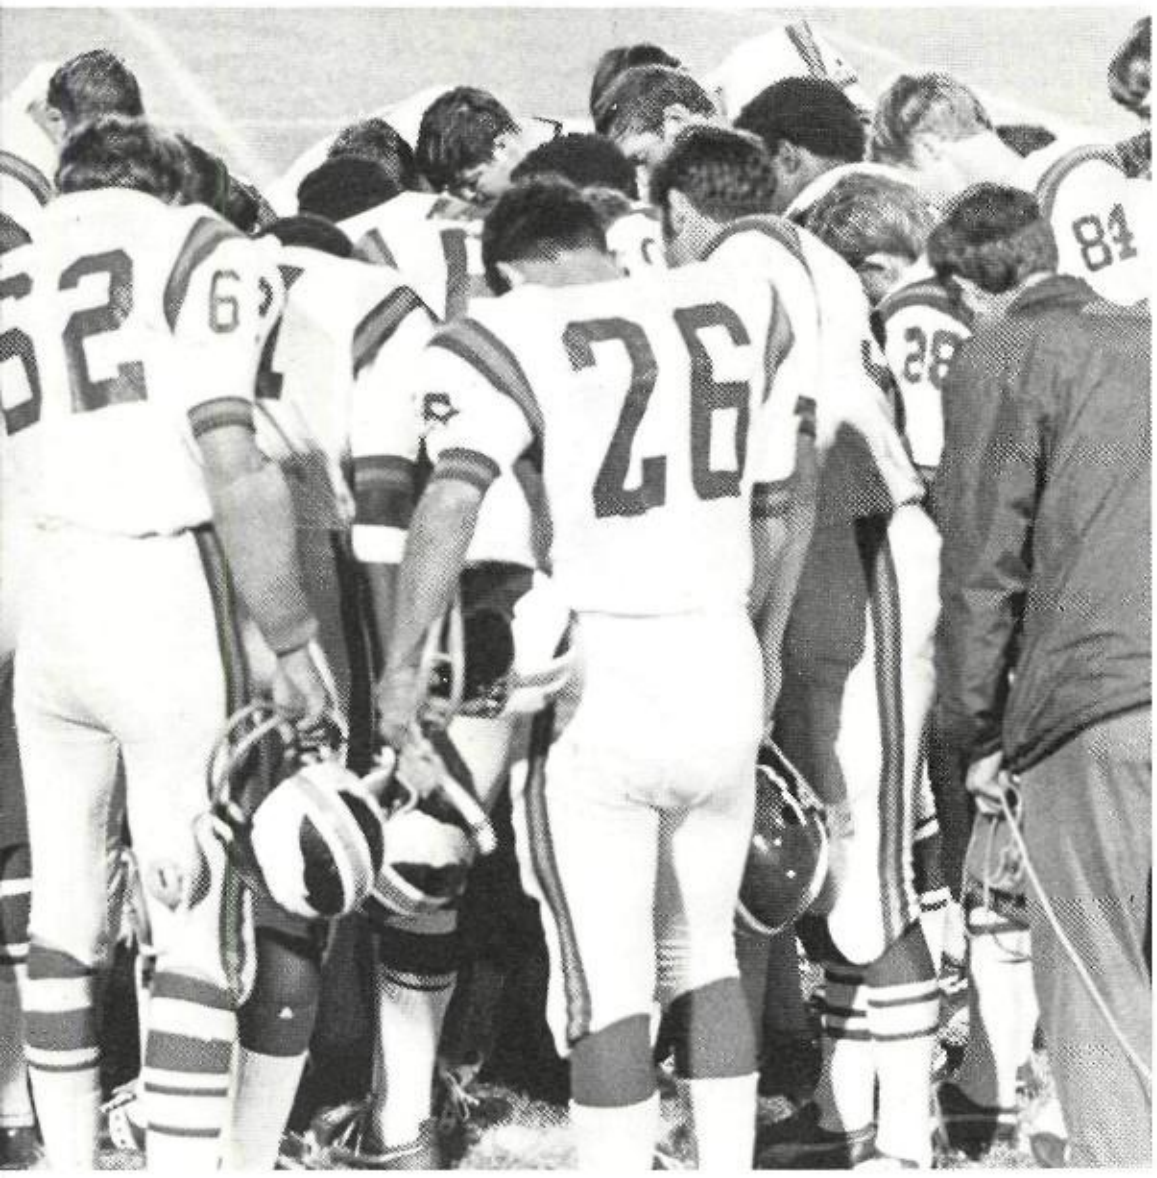




Fumbles and interceptions give Jordan a 12-0 win over Northside as a fourth quarter rally is not enough for the Eagles.



Eagles stage biggest upset of year as new QB Sebie Lacey leads his team to a 6-0 win over a previously undefeated Baker.



Northside drops 2-0 decision to the Carver Tigers as a last minute mistake caused team's defeat at The Stadium.

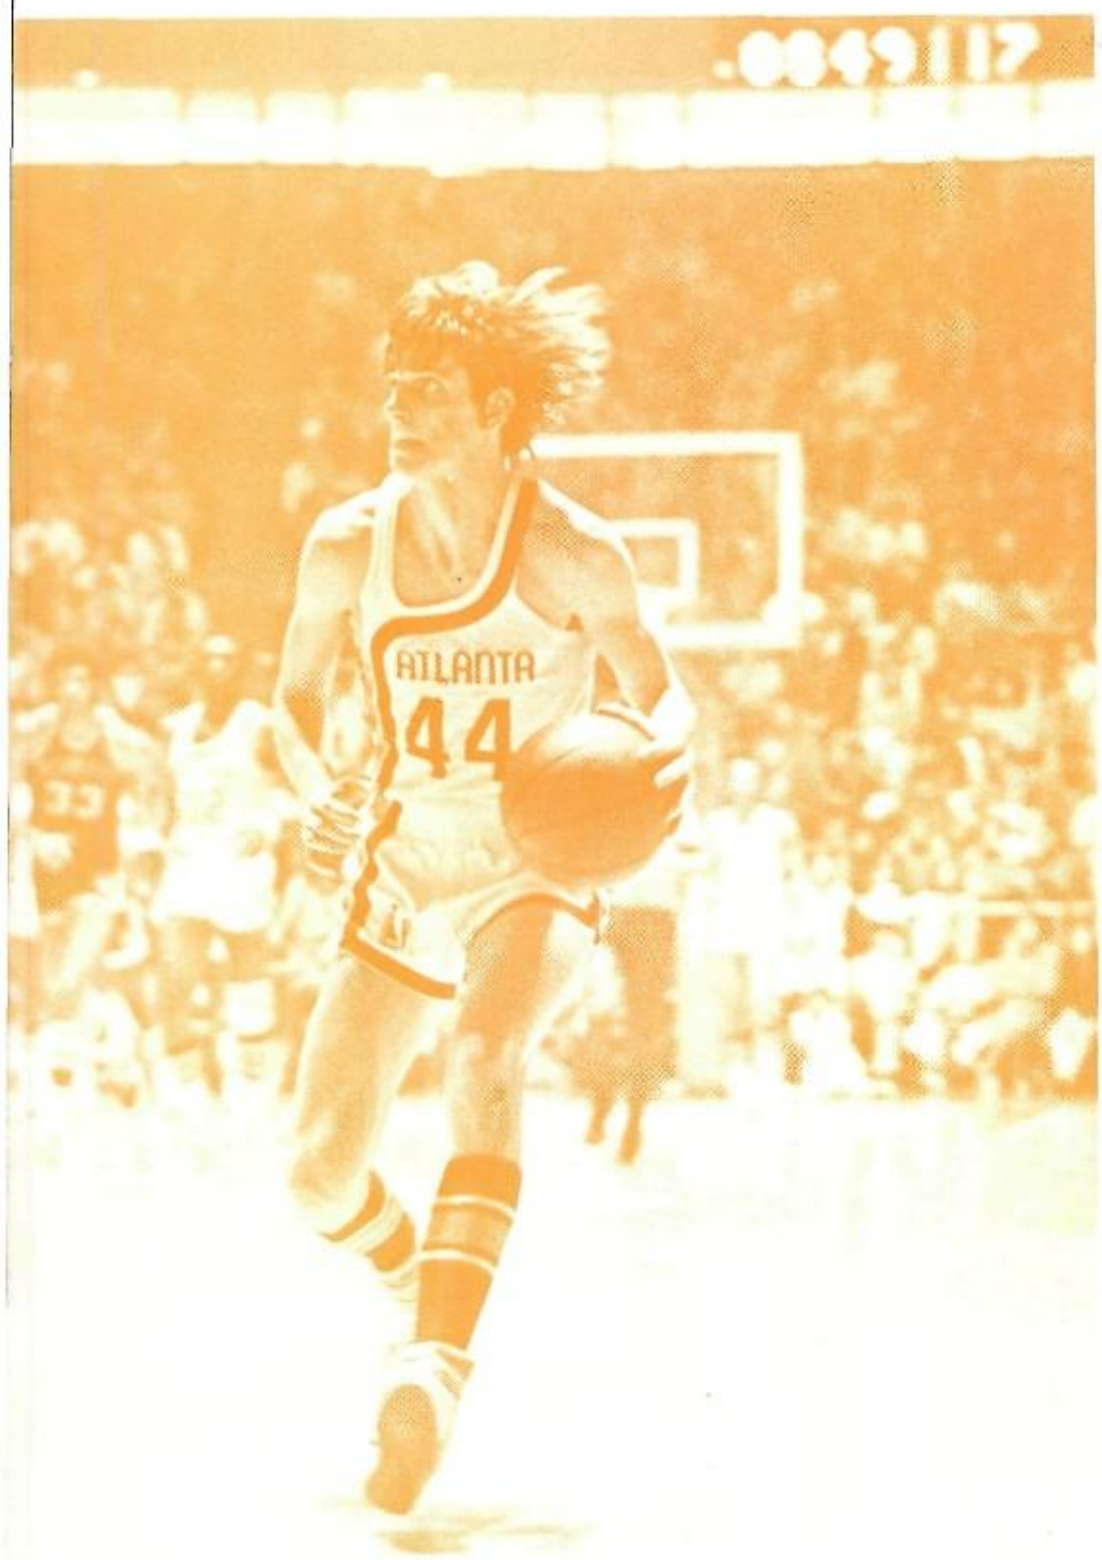
Yet, There Will Be Time for Friends and Fun –
and an Opportunity for All to

Love —



Gain Fame or Success —

and to Delve Within Themselves.

From the Editor

No one, not in my situation, can appreciate my feelings at this parting. To this place, and the kindness of these people, I owe everything. Here I have lived a decade. I now leave, not knowing when or whether ever I may return, with a task before me greater than any I have ever faced. With assistance I cannot fail. Yet, should the people, in their wisdom, choose to keep me in the background, I have been too familiar with disappointments to be held down and too long denied.

If there could be a proper time for mere arguments, that time surely is not now. In times like the present, no one should utter anything which they would not willingly be responsible for through time and eternity.

I claim not to have controlled events, but confess merely that events have controlled me.
